Project Recruitment

Who we are

CXC was founded in 1992. And we've been working hard to simplify the world of work for our clients ever since.

We take the hassle and headache out of engaging, managing and paying non-permanent workers by creating custom solutions to make workforce management easy, compliant and affordable. And we uncover opportunities for our clients to source skilled workers from all over the globe.

CXC's recruitment arm is a regional team strategically located in key locations in Asia to support your business with bespoke delivery of executive search projects. We have dedicated specialist teams in Singapore, Hong Kong, Vietnam, Thailand, India, the Philippines and Japan. Our global coverage enables us to link your company with the best talent across Asia and globally

With our extensive experience in managing talent resources globally, we've developed a distinct competitive edge by:

Strategically enhancing candidate quality and volume

Ensuring access to top-tier talent while meeting your hiring demands.

Leveraging deep market expertise

Drawing on first-hand knowledge of global talent trends and regional nuances.

Fostering transparent partnerships

Providing greater control and clarity over your talent pipeline through a collaborative and open approach.
